Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Notice of Non-responsive Amendment

The reply filed on 2/26/08 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): while applicant provides a response to the restriction requirement indicating the election of Group I without traverse, the response does not provide an election of species for either of the two election of species requirements set forth on pages 4-7 of the restriction requirement mailed to applicant on 1/8/08. See 37 CFR 1.111. Note that the previous office action advised applicant that in order for a reply to be complete, an election of species to be examined must be included. See 37 CFR 1.143.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
